Other things just make you swear and curse

When you've chewing an life's gristle, Don't grumble give a whistle

Always look on the light side of life

If life seems jolly rotten there's something you've forgotten  
and that's to laugh and smile and dance and sing.  
When you've feeling in the dumps don't be silly chumps  
Just purse your lips and whistle - that's the thing

And always look on the bright side of life  
Come on always look on the bright side of life

For life is quite absurd and death's the final word  
you must always face the curtain with a bow  
Forget about your sin - give the audience a grin  
Enjoy it - it's your last chance anyhow.

So always look on the bright side of death  
just before you draw your terminal breath

Life's a piece of spit when you look at it  
Life's a laugh and death's a joke it's true  
You'll see it's all a show - keep'em laughing as you go  
just remember that the last laugh is on you

And always look on the bright side of life  
Always look on the right side of life

And always look on the bright side of life  
Always look on the right side of life (retardando)
