

*A*                      *G*  
 Take my love, take my land  
*D*                      *A*            *E*  
 Take me where I cannot stand  
*C*                      *G*  
 I don't care, I'm still free  
*D*                      *A*            *E*  
 You can't take the sky from me  
*A*                      *G*  
 Take me out to the black  
*D*                      *A*            *E*  
 Tell them I ain't coming back  
*C*                      *G*  
 Burn the land and boil the sea  
*D*                      *A*            *E*  
 You can't take the sky from me  
*A*                      *G*  
 There's no place I can be  
*D*                      *A*            *E*  
 Since I found Serenity  
*C*                                      *D*  
 But you can't take the sky from me
