

Intro

D Bm G A

Verse

Oh, the power to be strong
And the wisdom to be wise
All these things will

Come to you in time

Pre-Chorus

On this journey that you're making
There'll be answers that you'll seek
And it's you who'll climb the mountain
It's you who'll reach the peak

Chorus

Son of man, look to the sky
Lift your spirit, set it free
Some day you'll walk tall with pride
Son of man, a man in time you'll be

Pre-Chorus

Though there's no one there to guide you
No one to take your hand
But with faith and understanding
You will journey from boy to man

Chorus

Son of man, look to the sky
Lift your spirit, set it free
Some day you'll walk tall with pride

Son of man, a man in time you'll be

Verse

In learning you will teach
And in teaching you will learn
You'll find your place beside the
Ones you love

Pre-Chorus

Oh, and all the things you dreamed of
The visions that you saw
Well, the time is drawing near now
It's yours to claim in all

Chorus

Son of man, look to the sky
Lift your spirit, set it free
Some day you'll walk tall with pride
Son of man, a man in time you'll be

Outro

(Ye-oh, ye-oh, ye-oh) Son of man,
Son of man's a man for all to see
