

A *G*
 Take my love, take my land
D *A* *E*
 Take me where I cannot stand
C *G*
 I don't care, I'm still free
D *A* *E*
 You can't take the sky from me
A *G*
 Take me out to the black
D *A* *E*
 Tell them I ain't coming back
C *G*
 Burn the land and boil the sea
D *A* *E*
 You can't take the sky from me
A *G*
 There's no place I can be
D *A* *E*
 Since I found Serenity
C *D*
 But you can't take the sky from me
