 Other things just make you swear and curse  
*Am*                      *D*                      *G*                      *Em*  
 When you've chewing an life's gristle, Don't grumble give a whistle

 Always look on the light side of life

If life seems jolly rotten there's something you've forgotten  
 and that's to laugh and smile and dance and sing.  
 When you've feeling in the dumps don't be silly chumps  
 Just purse your lips and whistle - that's the thing

And always look on the bright side of life  
 Come on always look on the bright side of life

For life is quite absurd and death's the final word  
 you must always face the curtain with a bow  
 Forget about your sin - give the audience a grin  
 Enjoy it - it's your last chance anyhow.

So always look on the bright side of death  
 just before you draw your terminal breath

Life's a piece of spit when you look at it  
 Life's a laugh and death's a joke it's true  
 You'll see it's all a show - keep'em laughing as you go  
 just remember that the last laugh is on you

And always look on the bright side of life  
 Always look on the right side of life

 And always look on the bright side of life  
 Always look on the right side of life (retardando)
