If life seems jolly rotten there's something you've forgotten and that's to laugh and smile and dance and sing.

When you've feeling in the dumps don't be silly chumps

Just purse your lips and whistle - that's the thing

And always look on the bright side of life Come on always look on the bright side of life

For life is quite absurd and death's the final word you must always face the curtain with a bow Forget about your sin - give the audience a grin Enjoy it - it's your last chance anyhow.

So always look on the bright side of death just before you draw your terminal breath

Life's a piece of spit when you look at it Life's a laugh and death's a joke it's true You'll see it's all a show - keep'em laughing as you go just remember that the last laugh is on you

And always look on the bright side of life
Always look on the right side of life
